**GISSEN & ZAWYER PROCESS SERVICE, INC. ACQUIRES
FIRST PRIORITY PROCESS SERVICE, INC.**

***Positioning Gissen & Zawyer As One of South Florida's Largest Process Service
Companies***

MIAMI, Fla. – November 6, 2006 - Miami-based Gissen & Zawyer Process Service, Inc. today announced that it has finalized the purchase of First Priority Process Service, Inc., a family owned and operated business for the past 30 years. The purchase price was not disclosed.

“First Priority has had an outstanding reputation in the legal community throughout the years for providing its clients with a high level of service,” said Sean Zawyer, Gissen & Zawyer vice president. “We’re a service oriented company and value First Priority’s record of success. We plan to continue in that path, but with added value by exceeding clients’ needs with additional products and services that will prove to be invaluable to their day-to-day operations.”

Effective immediately, Gissen & Zawyer will retain all clients and assume operations. However, to ensure a smooth transition Roger P. Gibson, First Priority’s former owner, will work closely with Gissen & Zawyer over the next six months. Additionally, Gibson, a retired U.S. Marshal, will continue to own and operate the private investigation division of his company, Roger P. Gibson, Inc.

“We worked hard to create a name for our company within the South Florida legal community and we’re confident that Gissen & Zawyer will continue to provide the outstanding service and loyalty that our clients have become accustomed to receiving,” explained Gibson.

Owned and operated by Seth Gissen and Sean Zawyer, Gissen & Zawyer is one of the largest process serving companies in South Florida working with more than 200 law firms and national corporations in the tri-county area.

Gissen & Zawyer Process Service, Inc. is a full service process serving firm that offers county, statewide and nationwide service, skip tracing, fully computerized billing and Internet status of papers. For more information, please call 305-572-0110 or visit www.gzprocess.com.
